## ACT V — THE BLUEPRINT SNAP

The final segment:

Lena reveals the fully decrypted Foundation origin file:

- Founders
- Goals
- 20-year plan
- Phase I–III already executed
- Phase IV is imminent

Jacob reads it silently.

Then says the defining line:

**“They didn’t steal the country...  
we handed it to them piece by piece.”**

Roark:

“Then we take it back the same way — piece by piece.”

**Final shot:**

A wall-sized blueprint of the Foundation appears beside the Patriot Protocol’s forming strategy board.
